Editor's letter 77.13

Ah, I don't know about you, but I love this time of year! Yes, the weather's shit, of course, the television schedules are crammed full of pointless seasonal episodes of programmes that should have been binned years ago, the trains are all jiggered and you can't even get a pint in your local boozer without wedging yourself at the bar and waving your money at the barmaid like an utter tosser for three quarters of an hour, but hey – it's Christmas, the season of goodwill to all men! To mark the occasion we've asked Aria Giovanni to behave with no decorum whatsoever in the local park, while Jenny Laird's getting down and dirty by our tree. We can only hope your yule is half as good, and nobody'll have any complaints!

Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!

Dear Michelle,
I don't usually write into magazines like *Men Only* (or any others, come to think of it), but as a boob lover I felt you all deserved a great big pat on the back for your latest issue! I can't quite make up my mind which pair I like the best, but if I had to spend the rest of my days feasting my eyes on either Carmen, Charlie, Danielle or Dora's bosoms, I don't think I'd have much to complain about! All we need now is to see your wonderful tits again before too long!

Have a great Christmas, and all the best for 2013!
Jason, Lewes.

SHE'S A-DORA-BLE!

Michelle says: Thanks Jason! Yes, there certainly were some fine examples on show last issue, weren't there? Personally I think I like Carmen's best, although there's not all that much in it…

Dear Michelle,
Every Christmas my mates and I go on a bit of a bender together, usually ending up in a club somewhere in Brighton, where there are plenty of birds and some banging music. Well, this year was a bit different for me, because I found a real stunner called Meg in the very first establishment we went into.

Meg was working behind the bar, but I could still see she had a great body, despite the uniform she had to wear. She had long dark hair, a pretty face, brown eyes and a cleavage to die for! She chatted while she served me and straight off there was some kind of hot chemistry between us. My mates, who were still thinking about puling scantily clad pissed birds in a club later on, told me to forget about her but I couldn't. We moved on to a few other bars and got pretty drunk, but Meg was still on my mind and when my mates announced they were going on to a club I said I was heading back to the pub to see her. I got some shit about that, as you can imagine!

Still, it was worth it as Meg looked genuinely pleased to see me and whenever she wasn't serving drinks, she took the time to come and chat to me at the end of the bar. Pretty soon her boss called time and I got ready to leave, assuming that nothing was going to happen, but Meg grabbed my arm and whispered, "We're having a bit of a lock-in. Hang around if you like."

I liked very much, and sat back down again and watched while most of the other drinkers finished up and left.

Once the pub had been locked up and shutters pulled down, there were about 15 people remaining inside, all chilling out, drinking and laughing. Meg parked herself next to me and we chatted away, getting more and more drunk. After a while, she grabbed my hand, pulling me to my feet. "I wanna dance!" she announced, bringing me in close to her. Who was I to argue, even if it was Justin Bieber, or some such shite, playing on the jukebox?

Meg was really quite tipsy by now and her body moved in a very sexual way, with her hips gyrating as she ground her crotch into mine. It didn't take much of this action before I was sporting a bulge in the front of my jeans. Meg noticed and wrapped her arms around my neck. Her hot breath on me and her perky little tits pressing against my chest made my cock swell even more, and I was desperate to get out of there and fuck her.

Meg was well up for leaving and after saying her goodbyes and fetching her coat, we headed down to the beach, hardly able to keep our hands off one another. It took a while before we were clear of the drunken revellers and bright lights, but the long walk down by the sea was worth it when we found a quiet spot.

Our hands tore at each other's clothes until we were naked against the sand. I rolled over and pressed my body on top of hers. My cock was really throbbing now, aching for release, as Meg wriggled invitingly under me. I kissed her hard and Meg reached down and began to softly stroke my cock.

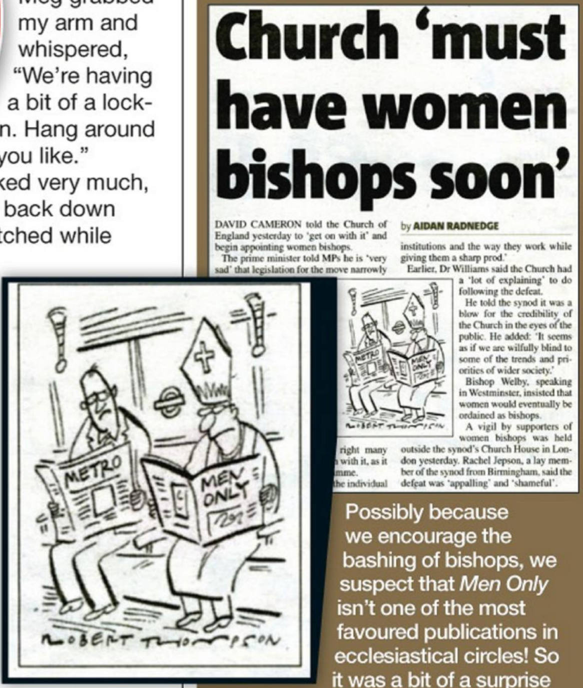
HOLEY ORDERS



Church 'must have women bishops soon'

institutions and the way they work while giving them a sharp prod.'

Earlier, Dr Williams said the Church had a 'lot of explaining' to do following the defeat.

He told the synod it was a blow for the credibility of the Church in the eyes of the public. He added: 'It seems as if we are wilfully blind to some of the trends and priorities of wider society.'

Bishop Welby, speaking in Westminster, insisted that women would eventually be ordained as bishops.

A vigil by supporters of women bishops was held outside the synod's Church House in London yesterday. Rachel Jepson, a lay member of the synod from Birmingham, said the defeat was 'appalling' and 'shameful'.

Possibly because we encourage the bashing of bishops, we suspect that *Men Only* isn't one of the most favoured publications in ecclesiastical circles! So it was a bit of a surprise to spot this cartoon in The Metro last week that seemed to suggest that we're favoured in bishopy circles! For the record (and in case you hadn't noticed), we're all in favour of the inclusion of women, although why they'd want to become bishops is anyone's guess…

Having featured Beth on the cover of last year's Christmas issue, for some reason as the festive season rolls round again this year we had a yearning to catch up with the gorgeous babe. Could it be that we'll forever associate her with this time of year – or maybe we're clutching at straws here and basically we just like looking at her and will grab any excuse we can get? Either way, we're always chuffed to catch up with her, and getting her alone in this rather swish bathroom put all sorts of naughty thoughts in our mind… not that Beth herself did anything to discourage us…

"Mmm, I know it's a job," she purred, "but really there's nothing I'd rather be doing than playing with myself in front of a select audience. Knowing that all those *Men Only* readers will be looking at pictures of me and maybe playing with themselves as well – that's the best Christmas present a girl could wish for!"

Hmm, sounds like she's dreaming of a white Christmas, folks – want to help her achieve one?

Men Only TOY OF THE MONTH

VERSPANKEN
Lovehoney.co.uk
£32.99

According to the blurb on Lovehoney's website, this is a 'Wavy Male Masturbator', which sounds horribly like the sort of thing you don't want to see in someone's bedroom window as you go past on the top deck of a double decker. Thankfully, the wavy part doesn't refer to some pervy salutation from an upstairs tugger, but the rippling, textured sides that you slide the old chap between once you're up and running. Basically, of course, it's one of those toys you lube up and screw, but it's certainly different from the others we've reviewed in the past, in part thanks to the wonderfully named Foam Wieners sleeves that cushion your knob in a most unusual way but that are, once you get into it, extremely stimulating – we reckon it should get you off in a matter of minutes. Oh, and to overcome the fact that a lot of masturbators are a bit chilly, you can even microwave the wiener before you start (but don't, whatever you do, microwave your own weiner!).

It's a hand held device, but of course that doesn't mean you can wedge it between some cushions, say – or get your partner to hold it of course, because masturbation toys aren't solely for singletons, you know! And that way you can still wave out of the window, of course!

She wrapped her legs around my waist and her arms around my neck and tangled her fingers into my hair as my cock pressed against the warm wet opening of her pussy. I was desperate to feel my cock inside her and she gasped as my thick, hard prick spread her pussy lips and slowly entered her. The inner folds of her flesh squeezed and pulled at my manhood as I slowly pushed my cock deep into her. Her pussy muscles clenched and she moaned in my ear as she nibbled and sucked on my neck.

I squeezed her arse cheeks, pulling her forward and plunging the full length of my shaft into her, then held it there. Her pussy contracted around my throbbing tool and then I slowly raised her hips and plunged down onto it again. Her pussy was so tight that my cock began to swell even more and I felt like I was about to explode, but somehow I managed to hold back.

Attempting to take the pressure off my straining cock, I lowered my head and began to suck her hard nipples while my finger and cock continued to explore her lower body.

ANOTHER PEACH OF A YEAR!

Meg showed no such restraint and squeezed her legs tightly around my hips. I began to hammer my cock deep into her, pressing her body hard into the warm soft sand with each stroke. She bucked and squealed as her pussy tightened and constricted around my plunging member. Her breath came in gulps as her pussy spasmed and I held her to me as her orgasm shook her body. As our bodies clenched together I willed myself to hold off from coming just a little longer.

Meg pulled away from me and turned around placing her wet pussy over my face and lowering it gently down onto my waiting mouth. I snaked my tongue out and slid it easily inside her pussy, causing her to growl and moan with desire. Not to be outdone, she began to stroke my cock, spreading her lips over the tip and slid it into her mouth.

As her tongue tickled my dick, I moved my hands up I pulled her down harder onto my tongue. Taking her clit into my mouth and sucking it firmly, I flicked my tongue over and around it until she began to whimper softly. My cock reached full length as Meg moved down my body and slid it deep into her pussy in reverse cowgirl position. I had never had a bird do this to me before, but it was something that I had seen in countless wank flicks.

I watched her from behind as her arse moved up and down. I could see my cock spreading her pussy lips clearly and I put my hands on her hips and pushed her up and down on my shaft. Sliding my fingers between her bum cheeks, I began to rub her anus with my thumb. The moisture of our screwing covered my hand as I slowly slipped my thumb into her bumhole and began to fuck her with it. I could feel my cock moving inside her against my thumb and I knew I couldn't hold back much longer.

All at once, Meg's hips began to shudder and her fanny muscles clenched around my cock as her anal muscles tightly squeezed my thumb. I shot my hot thick mess deep inside of her,

> "She bucked and squealed as her pussy tightened and constricted around my member."

YOWSER SNAKE!

Hooray – it's another bonkers monster hybrid movie! We've had sharks and octopi, wolves and dinosaurs and plenty of other variants, and now, thanks to legendary producer Roger Corman and *Sharktopus* writer Mike MacClean, it's the turn of a piranha and an anaconda to get together to produce the perfect big-screen critter! OK, well perhaps that should be small screen critter, because we can't remember seeing this one in the multiplexes earlier in the year – but it is perfect late night fodder if you fancy some daft thrills and spills, and don't reckon the sight of a hundred foot long snake is likely to give you nightmares. Oh, and we've got three copies to give away to you lucky readers! Just tell us which two species of snake are native to the British Isles (clue: the Piranhaconda isn't one of them) and send your answers to MO's Slithering Comp, Paul Raymond Publications, 23 Lyon Road, Hersham, Surrey, KT12 3PU to reach us no later than January 11th 2013, or email your answers to menonly@paulraymond.com.

emptying my hot, sticky jizz into her warm, wet pussy. Pulling her upright as I came, I kissed her lightly while my cock continued to jerk inside her.

We saw each other for about 7 months after that, but then split up. I have to admit that I'm really looking forward to going out with the lads this Christmas – and I won't be copping off with the first bird I see this time, even if she is a sexy barmaid

Lewis, Brighton

Dear Michelle,

I've been a loyal reader of *Men Only* for many years now, and I just wanted to write in to thank you and the team for another fantastic year. Any year that starts off with a welcome chance to catch up with Charmaine Sinclair was always going to be a good one, but I've been constantly impressed by both the quality of the girls you've featured, and the skills of the photographers who've shot them for you. Girls like Beth, Tommie Jo, the always lovely Peach have brightened up what might otherwise have been quite a crap year, and come what may I know I've always got the next copy of *Men Only* to look forward too! Please let's have plenty more of the same in 2013 – I can't wait to see what treats you might have in store.

A loyal fan, Derby.

Michelle says: It's always nice to hear from a satisfied reader, and don't worry – we'll be doing our best to keep up the standards in the year to come!

Dear Michelle,

I think I'm in love! Jaime in your latest issue (77.12) is just about my ideal woman – sultry looks, fabulous boobs and a tidy little thatch of pubes atop the most inviting little quim! Please can we see more of here in the new year – or at least see her again, because from the pictures you've already printed I guess there isn't much more of her to see…

Joel, Dorset.

Michelle says: We'll do what we can – I certainly wouldn't mind catching up with her again!

> "All at once Meg's hips began to shudder and her fanny muscles clenched around my cock."

We all know about the three wise men who came from the East (or were they kings? Or were they someone different altogether?), so this Yuletide we thought we'd bring you a treat of our own from the East – the delectable Danica! Sadly she's not bearing gold, frankincense or myrrh on this occasion, but – even better, if you ask us! – she is baring her wondrous bod! So does she bring us any glad tidings from the Orient for this time of year…?

"I can't think of any particularly festive tidings, to be honest," she admitted, "but of course I hope all your readers have a Happy Christmas!"

Having given them an eyeful of your treasures, we reckon there's every chance they will!

Come on – what are you waiting for?!

This month Keliegh's having a highland fling!

I'm a medical student working my internship at a hospital in the North-East. Last winter I was due a few days' holiday, and as I wanted to get far away, I took a room at a large hotel in snowbound Aviemore, among Scotland's Cairngorm mountains.

I arrived by train after a night in another hotel to break the journey, booked in, and went down to a late lunch in the hotel dining room. I was in the middle of a rather messy split with my boyfriend so I was holidaying alone, and I was very glad indeed of that fact when a guy called Jake, who was also holidaying by himself, asked if I would like some company. I was delighted, as I found him really attractive.

We got on well over our meal and arranged to meet again for dinner. I spent a while getting dressed for the occasion, and was glad I had packed my sexiest lingerie on the off chance! Jake must have been 6ft tall and had a totally fit body. He had dark hair and a great smile, but best of all, from what I could tell, he seemed to be well hung – unless he had stuffed some socks down his jeans to impress me!

The evening progressed nicely and after a short romantic stroll through the snowy centre we returned to the hotel and went to his room for a drink. The hotel rooms were large and beautifully decorated, the beds huge, and when we entered his room neither of us bothered about drinks. I knew that technically I was cheating, but I didn't care. I kicked off my shoes and we made for the bed.

For a few moments we just held one another, then Jake began kissing me. He used a lot of tongue, which made me feel all hot and flustered. I was very turned on and every nerve-ending in my body tingled with anticipation as he began to undress me. Jake removed each item of clothing and lingerie slowly and sensually, kissing and licking my skin as he explored each newly exposed area with his fingers and tongue. My pussy moistened with excitement, throbbing and clenching as each erogenous zone ignited beneath his experienced touch.

I was alight with desire before he had even removed his shirt! And, while he unzipped

"My pussy moistened with excitement, throbbing and clenching beneath his touch."

his jeans I lay back naked on the soft covers, propped up by pillows, and gently fingered my clit. Jake stripped slowly, allowing me to admire his body in all its glory. My fingers delved between my warm wet pussy lips, slowly slipping in and out as my eyes widened in wonder at the prodigious dimensions of Jake's cock. It was long and thick, and topped by a mouth watering deep red helmet. The colour was of course due to his arousal, and the droplet of pre-come which trembled on his jap's-eye made me lick my lips with desire.

As Jake moved closer to me I reached for his cock, and, cupping his large balls in one hand, I grasped his thick shaft, smiling as I felt it throb at my touch. Repositioning myself, I lowered my mouth onto his erect member and began to slide it between my lips. It tasted as tangy and sweet as I had imagined, and I began bobbing my head on it as I started to fellate him. My cheeks hollowed as I sucked him in earnest, and I tipped my head back so I could take him deeper, allowing him to deep-throat me.

I pleasured him like this until he began to groan and I felt his glans begin to swell. Then I eased his knob out of my mouth in case he should blow his load prematurely. Jake seemed happy enough with the blow-job and moved between my thighs to eat my pussy in return.

I was very hot and aroused so it didn't take him long to bring me close to orgasm with his tongue. He lapped my labia and sucked on my clit until I began to feel the first tremor of my orgasm. Then, sensing that I was close, he moved between my legs and slid his thick cock between my quivering pussy lips.

At first he moved slowly, inching his cock inside me, but when he was about half way in he started to thrust harder. My buttocks tightened and my back arched as my pussy clamped tightly around his rock hard shaft. Jake began slamming his cock harder and faster inside my pussy, and the friction sent sweet tremors of intense pleasure spiralling through my whole body.

He pumped his cock without pausing once, using his strong arms to raise his body right up before slamming back down into me until my pussy began to convulse around his pole.

I closed my eyes as I became overwhelmed by my climax, and, truth to tell, I could not help biting into his muscular shoulder as my whole body shuddered in the throes of orgasm and I came repeatedly.

I had never been so thoroughly fucked in my life and I felt so great that when Jake positioned me on all fours I did not resist. I had never been so ready for more in my life. When I felt Jake nudge his cock against my anus I was not disturbed by the surprise move; I was eager to go with it.

Slowly and gently he pushed his big cock inside my anal sphincter, burrowing carefully forward until it was buried to its root inside me. Now he worked his prick, gradually building momentum as he played with my clitoris. My tits were swinging free and I dipped my back as I began to feel an overpowering pleasure throbbing through my groin. Jake shunted his cock back and forth until I felt him tighten his hold on my hips, and then his come exploded inside me, making me cry out as I was catapulted into another incredible teeth-clenching climax.

The rest of the holiday passed in pretty similar fashion, and by the time I got home I was more than ready to give my useless old boyfriend the heave! I'm going away for a few days again this winter, and can't help hoping that I'll have a similarly erotic time of it…

"Cupping his large balls in one hand, I grasped his thick shaft, smiling as I felt it throb."

Spencer

Photos: **Exposurezone**

Hooray! We were hoping for one more chance to hook up with Spencer before the end of the year, and somehow or other the Ed has managed to pull it off! She's by far and away one of the hottest newbies we've featured in 2012, so we're pretty sure we won't be the only ones who are thrilled to see her back… not to mention her bum, boobs and face! But what's the girl herself got lined up for the holiday period – anything especially exciting?

"Christmas is always exciting!" she gushed, before starting on about just how much she loves giving and receiving presents. "Apart from anything else, it's a great excuse to go shopping, which is one of my all time favourite hobbies! OK, so usually it means I'm buying stuff for other people rather than myself, but that doesn't make much difference, because I know there's be loads of people who want to give me something come the big day!"

You're not wrong there, love. Not wrong at all…

Aria

Photos: DDF

OK, we admit it; we shot this set of Aria a good few months ago, back when asking a sexy lady to cavort about almost nudely in the local park wasn't tantamount to torture! Yes, the sun is shining, and sticking a Christmas tree right in the middle of the park probably wasn't the most obvious thing to do, but sometimes you have to try these things just because you can! Any anyway, Christmas doesn't have to be cold, does it? – just ask Australians and their ilk. Quite frankly we could have asked Aria to put on her skimpiest bikini and host a barbecue party for us and nobody could have objected. Then again, who could object to Aria – whatever she's wearing or otherwise…?

Interview
Roxy DeVille

She looks nothing like your average porn star, more like a young punker or one of those goth chicks. Yet everyone who comes in contact with Roxy DeVille seems to fall helplessly and hopelessly in love with her.

Despite swearing off anal sex scenes, she's worked in both gonzo porn and in softer features and has quickly gained a fan base the size of Texas thanks to her personality and general nuttiness.

The 5'6" ex-stripper loves men but is currently sharing her bed with fellow porner Gia Paloma, whom she calls her "wife". On rare occasions, the girls can be seen together out and about in the Hollywood nightlife, dressed in latex and leather…

You seem quite outrageous; is it just your porn persona or are you genuinely this wild in real life?
I don't think I'm especially wild compared to other porn girls. There are no drugs or crazy stuff in my life. I mostly stay home with my puppy dogs and my girlfriend Gia and we watch shitty movies. I might go to the mall when I'm feeling extra spicy. Of course, some of my interests can be a little extreme. I'm fascinated by weird stuff and weird people. Everything normal, I find mind-numbing.

What do you do that's so unusual?
Well, I'm a porn actress, that's a little odd for starters! And I do double-vaginal penetrations, enemas and fistings. That's pretty bizarre even for a porn star.

> "I like little vibrating dildos up my ass, but I don't want to try it with a big cock just yet."

And yet you don't do anal?
I know. Everybody is giving me a hard time about that. I just can't do it, because I love to eat and the girls who do anal scenes don't eat for days before they go to work! Don't get me wrong, I like little vibrating dildos up my ass,

"I grew up in the Mid-West, where there's is nothing to do except for fucking the local boys out in the corn fields."

but I don't want to try it with a big cock just yet.

Is there anything else you would consider instead?
Yeah, anything that's a little kinky and pervy, basically! That's why I wanted to do porn in the first place, to try all that twisted stuff. I can't even watch the tame vanilla sex on TV; it just isn't very interesting to me in the least.

So what sort of things tend to turn you on in real life?
Fetish sex, and bondage. It takes guts to try for the first time, but once you do, you never want to do anything else. Fucking in latex in such a hot, sensual feeling. I can highly recommend it to your readers!

How was your sex life before you got into porn?
I grew up in the Mid-West, where there is absolutely nothing to do except for fucking the local boys out in the corn fields *(Hmm, I wish I'd grown up there as well! Hang on, does that sound a bit gay? – Ed.)*. So that's exactly what I did. Then I started stripping, which I loved! After three years I almost had a tit job, because I wanted to make more money. But instead some people told me to try the porn industry, because natural boobs are actually more popular in porn than they are on the striptease circuit. I'm very glad I followed their advice.

How was your first sex scene?
Well, it wasn't really a proper sex scene at all. I was sitting together with some other actors and we were all just masturbating for the cameras for five hours. It was so boring I couldn't believe it! It was not at all what I had expected. After that, I didn't bother to do another scene for a year or so. Luckily it got better after that. Now, most of my scenes are a little crazy…

How do your fans react to you?
Oh, it's just an endless stream of compliments! My face, my pussy, my feet... They seem to like my whole body. I'm on MySpace so I get a lot of fan mail. It blows my mind.

Would you ever consider having sex with a fan?
Of course! I don't care if he watches my movies or not. In fact, it's probably better if he does, because then he'd know exactly what to expect! I have had some boyfriends recently and some of them were fans. I don't mind if guys come up and say hello to me if they recognize me in public. It's always nice to get a compliment or two!

What would be a perfect day's work for you?
Ha! Fucking actor Steven St. Croix in the morning and then fucking Belladonna in the afternoon! I love those two; they are my favourites to work with. And since I'm a little obsessed with strap-ons I would want to fuck Belladonna with one as well. That would be a great day!

And what do you think you will be doing in five years' time?
Hopefully I will have made enough money to be able to go to school and become a make-up artist. Either that, or a married housewife. We'll just have to wait and see…

Jenny

Photos: Adam Turner

So what are you hoping to find under the tree on the big day? Whatever it is, we reckon it's never going to be as good as what we found under our tree the other day – only the delicious Birmingham babe Jenny Laird, all sprawled out in her finest undies and purring like a pussycat!

Well, usually we like to wait until we've had breakfast and a drink or three before we start unwrapping our pressies, but this time there was no hanging about!

Sadly Santa's a bit shabby when it comes to delivering this sort of treat on a Cringle morn (he'd probably complain about a bulging sack, but then he's not the only one with troubles in that department) – so it's lucky *Men Only* is a bit let stingy, isn't it? Saint Nick can stick his socks up his arse – we'll stick with Jenny, thank you very much!

Web Rat

A collection of all the weird and wonderful stuff we've found on the web this month. And if you've stumbled upon a great site you'd like us to feature, drop us a line at menonly@paulraymond.com!

WHAT STOPPED US FROM WORKING THIS MONTH...

Oz Over Tit, Upside Down World Maps
http://www.flourish.org/upsidedownmap/

Says the webmaster: "It came as a surprise to me after over 20 years of seeing 'normal' world maps to come across an upside down one."

And gratifying. The upside-down world map, of which there are many examples on this site, bring, he says, a degree of justice to those living at "the so-called bottom" of the world, and are consequently very popular with Australians and New Zealanders.

"The most surprising thing was that I found it surprising," he muses. "Because it is completely artificial that we have North at the top of a map. The convention began a few centuries ago when Northern hemisphere European navigators started using the North star and the magnetic compass. Before that, the top of the map was to the East, which is where the word orientation comes from."

Too much free time? Yes, quite possibly.

What A Carve-Up, Extreme Pumpkins
http://www.extremepumpkins.com

The maniacs who have operated ExtremePumpkins.com for the past nine years certainly like chopping horrid faces in pumpkins. They also enjoy setting fire to them in reckless fashion.

Here the pumpkin fanatic will find (doubtless to his or her delight) "strange pumpkins, pumpkin patterns, and alternative pumpkin carving techniques". These are developed and demonstrated for the layman in videos, and of course there are annual contests, with people carving incredible artistic faces in pumpkins (which then rot away inside of a week).

Images of the winning entries from 2004 onwards can be found on the site, together with photos of pumpkins being explosively incinerated.

Curiously, the site has nothing to do with Halloween. Pumpkins are for carving up and burning every single day of the year, apparently.

REDEFINING "WTF"

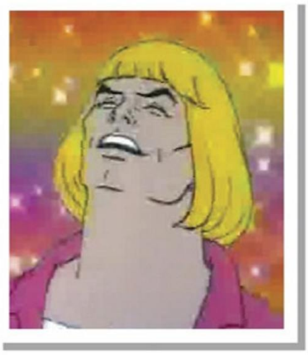
He-Man And Chums Perform What's Up?
http://heyyeyaaeyaaaeyaeyaa.com/

This website is comprised of a single full-screen item: a professionally animated mash-up (culled from the television series) of children's hero He-Man singing *What's Up?* while disco-dancing and interacting dramatically with the other Masters Of The Universe, not to mention their nemesis Skeletor.

The hilarious three-minute looped film is perfectly lip-synched, edited, and more than a teensy bit camp.

Q. So what's the problem? A. The bloody awful song from the lyrics of which the website takes its domain name.

What's Up? is a crime against the human ear, an indescribably catchy but dreadful 1993 pop song, sung in preposterous falsetto and impossible to get out of your head unless you convince a surgeon to remove substantial chunks of your brain. It was written by Linda Perry for the group 4 Non Blondes' debut album *Bigger, Better, Faster, More!* in 1992 and released as a single early the following year.



The song topped the charts in Brazil and in several European countries, including Poland, Austria, Switzerland, Sweden, Germany, Ireland, Norway and the Netherlands.

What's Up? ranks at number 94 on VH1's 100 Greatest One-Hit Wonders… and also charts in Spinner.com's list of the "Top 20 Worst Songs Ever".

No-one knows who created this abomination of a website – which is probably just as well because if the culprit were to be identified he or she would most likely have to spend the rest of their lives in protective custody. Additionally, those who have risen from their computer chair unsteadily with the images and ditty still banging round the inside of their poor napper for ever more agree that He-Man's copyright holders are most likely still looking.

WRIST ACTION ROGUERY

Horrific Glove Puppets
http://www.puppetterrors.com

Sites such as Puppetterrors.com are what lie behind my fearful reluctance to surf the Internet alone, even in daylight. This nasty but cleverly-conceived site exploits our weakness for scaring ourselves with evil puppets.

Horrific puppet creator Jesse Wroblewski started out as a one-man underground toy company, with all his nightmare wrist-creations made entirely by hand in a dank New York basement. Soon he was ready to unleash the first wave of his foul finger-fiends upon the world and horrible syntheses of evil puppet and circus performer such as Bunky The Clown – "serial killer Sooty "Death Row Joe" and others hit the streets above mad Jesse's subterranean laboratory in 2003.

Their first year's reign of terror landed the puppets in the pages of *Bizarre, Rue Morgue, Amazing Figure Modeler, Stuff* and *Toyfare*. A company was found who could mass produce the puppets with the same attention to detail and quality which brought the collectables their initial praise and Wroblewski took the whole lucrative brainwreck online with a store, an expanded collection of increasingly disturbing puppets – including one with severe sexual identity dysfunction called "Gender Doubting Thomas" – and even a number of highly professionally produced comics featuring the imaginary adventures of his vile creations.

"Some people are afraid of clowns," explains mad Jesse, waggling Bunky the Clown at us. "Some people are scared of puppets. Just think of the psychological damage you could do with this bad boy!"

He also said another thing that made the tinkle trickle down my leg: "This guy's Death Row Joe. His last appeal was rejected, and Joe is on his way out, but that doesn't mean you can't still take him home! Just don't write us about your conjugal visits, ha-ha-ha-ha."

Well well, if it isn't another newcomer to the hallowed pages of *Men Only*! Brummie babe Cynthia's got a good name for this sort of thing, what with all the sin/Cyn puns we might feel like making, but to be honest we reckon she doesn't require any of that sort of nonsense. She may have relatively flat vowels, but the same can't be said for her chestage, and we can't help hoping we'll be seeing a lot more of her in the magazine in the year to come! But what says the girl herself – is she up for a few more modelling gigs, or is this a one off?

"I'm not sure yet," she mused. "I guess it kind of depends on whether or not I want to do it again in a few months. I have to say, it's been a bit weird getting my pussy out for you guys to photograph – I can't pretend I haven't enjoyed it, but perhaps it'll just be one of those once off things…"

We can only hope not, although if it is, hats off to Cynthia for sharing this rare foray into nudey modelling with us!

SIMON SAYS…

I don't normally sleep with guys after a first date. Especially when I'm pretty sure that there isn't going to be a second date. I'd been so looking forward to dating Simon – he seemed perfect and he knew what he should do with a girl on a date; he'd wined and dined me; made me feel special and even managed to hint at a romantic streak but there'd been something missing. There was no spark, no sexual chemistry and we were both trying to hide the disappointment at the end of the night as he did the gentlemanly thing and walked me home.

> **"He wanted to 'fuck' me, plain and simple. My mind filled with sweaty bodies rutting…"**

"So, do you have another date lined-up? With someone else, I mean?" he asked, after we'd been walking in sober silence for a few minutes. The question caught me off guard.

"I wish," I snorted, then realised how that must have sounded. "I'm not like that - a serial dater." I was flustered but as the silence descended once again, I took a moment to gather my thoughts. "I had hoped that this might lead somewhere."

"Me too," he said, with a note of regret. The silence returned again. "I had hoped that I'd at least get to lick your pussy." Gobsmacked, I let out a gasp of indignation.

"I beg your pardon?" I said, fully aware that I sounded like a maidenly aunt.

Simon shrugged and gave me a lopsided grin before he continued. "I'd like to lick your pussy – you know: oral sex. Make you come." I laughed at him; at the shockingly casual manner of his revelation.

"I bet you would."

"Obviously, it's not going to happen now – but I'm serious," he said, ignoring my reaction. I stopped laughing when I saw the earnest look on his face.

"A girl needs advance warning before she lets a man down there."

"How much warning?" he asked smoothly. I couldn't believe this was the same man I'd spent an uncomfortable, awkward night with.

"That depends on whether you mind it being a bit prickly." I was being deliberately flirtatious, knowing that I was giving him an insight into my most private place. He picked-up on it immediately.

"You shave your pussy?"

"Yes."

"Landing strip or triangle?"

"Totally bare."

"I love totally bare," he said, taking my hand in his and squeezing. His touch was electrifying. My head was swimming, even before he dragged me to a halt, using his free hand to tilt my chin before kissing me on the lips. I felt my body arch into his as he pinned my hand behind my back and held me in place. Masterful, powerful – could he make this moment any better? He could: the first kiss was a gentle one on the lips, but he followed it up with something much more passionate.

"I looked into his eyes and clenched my pussy muscles, taking a tight grip…"

"I've been wanting to do that all night," he whispered as he pulled back from me, his eyes still closed. We were locked together for a long moment, as though our bodies had become magnetically charged. He was keeping me there but I didn't want to move anyway; I didn't try to get out of his grasp – there was nowhere I'd rather have been.

I'd just about regained my composure when he opened his eyes. They were still the same piercing green, but there was something new, something he'd been hiding from me – lust. "I want to fuck you."

"I know."

"Will you let me?" I'd never had a man talk to me like that before; be so open and honest about what he wanted. There had been no pretence at civility. He hadn't asked to 'come back to mine' or said the wanted to 'make love' to me or any of the other euphemisms used to mask a request for sex. He wanted to 'fuck' me, plain and simple. My mind filled with sweaty bodies rutting against each other. I wanted it too.

"Yes," I said, my voice sounding unexpectedly sultry. He kissed me again, only this time like a lover, and as his tongue touched off mine it caused teasing shocks of pleasure in my pussy. He'd made me extremely horny and lustful for more. Bubbling with excitement, I guided him to my home, trying to process what had happened in the previous minutes. How had we got from boredom to bedroom?

It's normally a nervous time when I get naked with a new man but it was easy this time, knowing how much Simon wanted me. He was wearing the biggest grin imaginable as my clothes came away and he nuzzled into my neck as he pushed me down onto the bed. I was going to let him have me – on our first date. The thought made me feel slutty and wanton. "I love your perfume," he said, kissing the spot where I had sprayed my neck earlier in the evening. A giddy shiver filled my stomach as I saw my work clothes hanging on the back of my chair topped by my dirty knickers – I never imagined that I might have company tonight. Company; Simon's lips worked over to mine and a delicious warmth filled me from deep within my core as he kissed me again; it spread into my limbs and my chest and into my pussy.

My heart thumped with excitement as I looked down my naked body and saw Simon's cock just an inch away from my prickly pussy. He was so calm, so assured as he dropped his cock down and into me. My fingers gripped his flanks, pulling him down, urging him deeper. I spread my thighs and lifted my hips with an urgency that hadn't been there until that very instant. "Fuck me. Please," I begged. He ignored me, sliding his cock into my depths and holding it there.

"You're trembling," he said. I hadn't noticed but he was right - I'd lost control of my body. "I love being inside you." It was as though he'd whispered the words straight into my body. It arched for him as I groaned. Oh God, it felt so good. But why was he holding still? It'd feel so much better if he'd just slide that big, hard cock in and out of me. If he'd just fuck me as he'd told me he would. But he just stayed there, motionless, holding me in place. Then I got it – it was like the kiss – he was controlling me. Two could play that game: I looked into his eyes and clenched my pussy muscles, taking a tight grip of his cock.

"Please don't do that," he said, with a strained look on his face. "I'm a big fan of coming, but if I do it now I think we'd both be disappointed."

"You're not teasing me?" Simon seemed stunned by my question and then started laughing. I've never had a man laugh when his cock has been inside me before.

"Teasing you? Is that what you thought I was doing? My cock was so amazed to be allowed inside you that it was eager to pop its load instantly before you realised your mistake."

"Do it," I said, without thinking about what I was saying. Something primal had taken control of me.

"Do what?"

"Come inside me," I said, pushing my crotch back and forth, sliding my pussy over his cock; such tiny movements but so rewarding… for both of us.

"I looked down and saw Simon's cock just an inch away from my prickly pussy…"

"I'm gonna…" I felt his cock jump inside me and his body stiffened as he gave a strangled cry. He was pumping his spunk into my vagina and I instantly dropped my fingers down onto my clitoris and rubbed frantically. The pressure and speed combined with the naughtiness of masturbating in front of my new lover quickly took me to as violent a climax as I could remember. The rush of ecstasy burned me and cleansed me and left me trembling again – this time with satisfaction.

He rolled onto the bed beside me. There were no words but neither of us was able to wipe the grin off our face and we lay like that until our body heat began to cool, and we needed to climb under the covers to keep warm. I shivered as I thought about how close I'd come to letting this man go. As first dates go, this one was definitely a winner.

Kelly, Gloucester.

AZTEC CAMERA

Like a lot of guys, the thought of being able to watch my wife getting well and truly fucked by another man really turns me on. Isla is a very liberal minded girl and loved describing the filthy things she'd do with another prick to turn me on while I was humping her. She got really excited at the idea of me watching secretly as she sucked on a stranger's cock or let him stick his meat in her tight little arsehole.

We'd often talked about how to turn the fantasy into reality, but it was only last Christmas that the perfect opportunity finally presented itself. We had decided to do things a bit differently and go abroad to Mexico for the festive season, as dealing with our families every year seems to take the fun out of Chrimbo!

Now, Isla has a great body with lush, full tits, long legs and a really curvy arse that guys seem to drool over, so she immediately attracted the attention of the randy waiters in our hotel, even though she was clearly with me. I'm used to the reaction she causes in other blokes, however, and my imagination ran riot as I watched men's eyes follow her across the room, lusting after her and wishing her lips were wrapped around their cocks instead of mine.

“ I nearly came the and then as she swirled her tongue around the bulbous head.”

One of the bar staff took a particular shine to Isla, and I'd purposely send her to the bar for the drinks so I could watch him flirt outrageously with my wife, even stroking her arm gently as he ogled her cleavage and made suggestive remarks.

It was after only a couple of days of observing these goings-on that I suggested to Isla that he should be the lucky bastard to get it on with her and I would sort it out as an Xmas present, if she liked. She jumped at the chance, so I approached him to set up a date for them both for the very next night (which just happened to be Christmas Eve) telling him that I wouldn't be around and to have fun. Having never done that kind of thing before I was surprised at just how easy it was to pimp out my wife!

On Christmas Eve, Isla got dressed up sexily and went out on her date with the waiter, as I waited in our room for them to return. I'd been half-expecting them for the last half an hour when I heard the key turn in the lock, so I grabbed my camera and rushed out onto the balcony to hide, my dick already rigid with the anticipation of what I was about to see.

Isla came into the room with the guy, still dressed in his work uniform and, as I peered through a gap in the curtains, she pulled him to her and stuffed her tongue into his mouth, his hands slipping around her waist and gripping her buttocks as he pressed his crotch against her. My cock pulsed with a mixture of jealousy and lust as they continued to snog passionately in front of me. I took a few piccies, but to be honest I was so transfixed by the sight in front of me I ended up taking far fewer than I'd intended.

“She eased his dick from his pants and rubbed the tip against her nipples.”

Turning him round so that his back was towards the window, Isla unbuttoned her blouse and slipped it over her shoulders, her lovely fat boobs swaying slightly as she knelt and unzipped the guy's trousers. She glanced at me as she eased his dick from his pants and rubbed the tip of the semi-stiff prick against her nipples. I moved to one side for a better view and slowly began to wank as I watched the love of my life lift his circumcised knob to her lips. Fuck, I nearly came there and then as she swirled her tongue around the bulbous end, before taking it completely into her mouth and sucking it hard. I could see her cheeks going in and out as she slurped on it, her eyes never leaving the gap in the curtains where she knew I'd be watching this filthy display. The guy's hands reached down to my gorgeous wife's tits and he squeezed them roughly as she began to pump her mouth up and down his shaft, cupping his heavy balls in her hand at the same time.

Shit, this was hornier than I'd ever

imagined, and I knew that whatever happened next, I'd be screwing her brains out before the night was through. The waiter obviously had the same idea and pulled Isla roughly onto the bed, pushing his hand between her bare thighs as she straddled his crotch. I could actually see first one finger and then another push inside my wife's snatch, right up to the hilt. She arched her back and rolled her eyes as he finger-fucked her gash, his mouth locking onto one dangling breast in turn while his rock hard dick slapped against her thigh.

Isla suddenly clambered up the guy's body until her pussy was over his mouth. She looked up at me and just dropped down onto the poor bloke's face, grinding that sodden pink slit of hers hard against his lips. By the look of joy on her face his tongue was inside her and she rode him, mauling her tits as she stared at me, acting the slut while another man licked her out. She let out a yell of pleasure as she came and I could even hear the horny squelching sounds of his tongue lapping up the cunt juice that I knew would be pouring out of her hole and down his throat.

Isla climbed off him and positioned herself on the bed so that she could look at me while her new lover stuck his throbbing meat into her gaping twat. I masturbated feverishly as he held her thighs wide apart and slammed his cock straight inside her. She smiled at me as he pulled out and then banged it back in up to his balls. She lifted her legs up and wrapped her ankles around his neck as he screwed her. I could see his glistening shaft stretching her fanny lips with each thrust as he shagged her into oblivion, grunting as he hammered his meat into my wife's eager hole. I thought the bed would collapse as they humped in front of me, and I grabbed the camera and took a few more piccies as he slammed away at her wanton hole.

Suddenly, he dragged his dick from her cunt and pointed it at her tits. A jet of thick white seed sprayed out of the tip and splattered all over Isla's beautiful stomach as I snapped away furiously. The next jet splashed over her breasts and the third reached her open mouth, which she hungrily licked up.

I could see his glistening shaft stretching her fanny lips with each thrust."

She sucked his shaft clean and then promptly kicked him out of the room before he even had time to do up his flies!

I was so gagging for her that I was unable to wait another second, so I burst in from the balcony and dived onto the bed, thrusting my aching prick into her just-fucked cunt as she smeared the guy's spunk over her tits, before licking the mess off her fingers as I squirted a huge load of spunk deep inside her.

We fucked and sucked each other all night and, although we haven't repeated our dirty little game since, we still use the sordid details to spice up our more regular lovemaking.

That was one Christmas present that Isla will never forget, but unfortunately I've raised the gift bar quite significantly for this year! How I'll top her Mexican fling I'll never know!

Connor, Teignmouth.

DVD Reviews

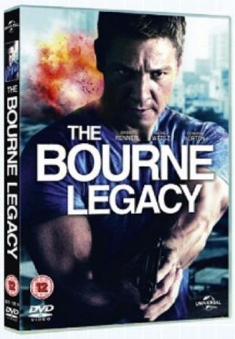
There are some highly intelligent killers on the lose this month – not to mention some shuffling brain-dead ones as well…

DVD OF THE MONTH

THE BOURNE LEGACY

Universal

8/10



Ok, so in many ways 2012 belonged to hoary old James Bond, as everyone's favourite 00 agent crashed back onto the big screen and broke box office records for the year, but a few months earlier it was the franchise that in many ways helped to re-invent Bond that was getting all the attention with the release of this, the fourth instalment in the Bourne canon. Just like has happened with Bond, this Bourne flick didn't look quite the same as earlier incarnations, not least because star Matt Damon bowed out after the third. Instead of just getting a different actor to play Bourne like they do with the Bonds, Jeremy Renner takes the lead but in the role of Aaron Cross, another member of the highly trained black ops team to which Bourne had belonged. It's not an entirely satisfactory gambit, but then neither is having Bond change face every few films, so what are you going to do, eh? Even more confusingly, while the film takes its name from one of the later Bourne books (not one penned by the character's creator Robert Ludlum, mind), the plot's completely different, with Renner's Cross tangled up in a plot that (as per) sees him being hounded by his employers who've decided it's time for him to check out of the service. Stone the crows – at least Bond is usually battling some baddie, rather than his own bosses, but the formula's worked before for Bourne, and it works again here, frankly. Thrown in Rachel Weisz and some cracking set pieces, and it's all pretty irresistible!

As soon as that team of Navy SEALs managed to off Osama bin Laden back in 2011 you could feel in your water that there'd be a movie adaptation along before to many moons had passed, and, well, here it is! The operation has attracted a bit of controversy since the news broke – did they really try to capture Bin laden, or was it basically just an execution, and even the codename caused a bit of a hoo-ha among Native Americans and their supporters (what's Geronimo got to do with it, after all?), but assuming you can put all such considerations behind you (and it's not hard) what we end up with is a very effective military flick in which a small gang of highly trainer operatives carry out a daring raid against the odds. A bit of a hasty cash-in, yes, but still an effective war thriller – even if you do know how it ends…

Every generation of film-makers likes to have a tinker with the zombie genre, with all sorts of variation on the basic theme keeping things fresh ever since George A. Romero's *Night Of The Living Dead* really kicked the whole thing of back in 1968. Of course there was a certain amount of gore to be had in that film, but it was really when the next slew of zombie flick makers got their hands on it that things cranked up a gear, and by 1979 Lucio Fulci was pulling out all the stops with this effort. Italians had pretty well cornered the market in gore by then, and it shows here, with all sorts of eye-popping effect making this one of the original and most memorable video nasties!

This release from Arrow has seen the film remastered and all sorts of bonus content added, and is a cracking addition to any horror lover's collection.

Games Reviews

Anyone remember when the Cod Wars were all about fish? Not any more they're not – the North Atlantic battleground having been replaced by a sofa near you…

CALL OF DUTY: BLACK OPS II

Activision – XBox 360, PS3, PC, Wii U.

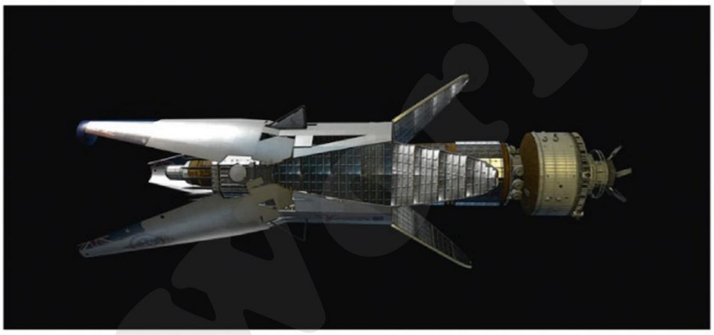
GAME OF THE MONTH

It looks like Christmas has come early this year – at least for all those armchair killers out there who like nothing more than slaying their virtual enemies with a casual flick of the thumb! Last month saw the massively impressive new *Assassin's Creed* release, and here we are with a spanking new COD on our hands as well!

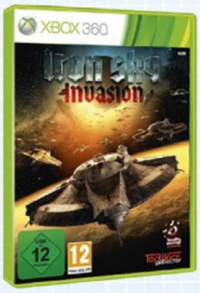
Games these days are never straightforward, though, are they? This one features two intertwined storylines – one from 30-odd years ago and one set 12 years hence, which means there's some nice variety in the hardware at your disposal as you career around shooting and blowing things up. In addition (and here's something crossover fans of RPGs should really like), the plot evolves according to decisions you've made within the game – a branching storyline that should ensure that no two players' experience of the game is exactly the same. Of course there are missions and the like (always nice to kill some zombies!), and the game's sure to be a hit with fans of earlier versions. That in itself should guarantee Activision another massive hit on their hands, and keep armhchair soldiers happy well into 2013.



IRON SKY: INVASION

Topware Interactive – XBox 360, PS3, PC, Android.

7/10



Nazis in space – it was a cracking idea that spawned a bit of a cult hit earlier in the year with the film *Iron Sky* (when I say 'cult hit', I mean a lot of people thought it was pretty silly, but a few absolutely wet their pants). Now, it seems, the film has spawned a video game spin-off. If the title seems excessively retro (think *Space Invaders*) then it's probably no accident – this is basically a space fighting sim and fits very nearly into a line that goes all the way back to the earliest days of gaming. If you always wanted to be Douglas Bader but in space, then here's your chance!

F1 RACE STARS

Codemasters – XBox 360, PS3, PC.

6/10

Here's a bit of an odd one. Given all the swish driving sims out there, you'd think Formula One fans would fancy something that at least looks a bit like a Formula One race, but this is, well, basically *Mario Kart* but without all the Sega characters. Instead of Mario, Luigi and co. you get to be erm, Sebastian Vettel, Lewis Hamilton or Jensen Button. It's all pretty souped up, and the track goes funny, so perhaps worth a try if you're trying to get a kid into F1 or something…?

Porn Reviews

How did our scruff reviewer decide to see out a year crammed full of the grottiest grot reviews? Why with another selection, of course!

THE CUCKOLD CLUB 2

Bluebird Films

CAST: Amber Rayne, Krissy Lynn, Dylan Ryder, Jessica Bangkok, Kayla Carrera.

EDITOR'S CHOICE

Hmm, we missed the first instalment in this series, but we think we get the idea; it seems there's a whole slew of slightly dweeby males in America who are, inexplicably, shacked up with incredibly good looking pornstars. Bully for them, you might think, but there's a price to pay, because it also seems their beloved flampers enjoy fucking other guys in front of them, while insulting the poor chumps while they're at it. Swings and roundabouts, eh?

First to demonstrate her utter wantonness is hardbodied youngster Amber Rayne, whose 'boyfriend' is not only thinning on top, he's also obliged to watch as she chows down on her *stud du jour*'s meaty cock. She's quite the saucepot, and keeps up a stream of filth as she fucks and then rides the pro-cocksman. Hats off to an energetic performance from the lass, and by the time she'd taken a pop to the chops even her humiliated beau looks pretty made up!

Jessica Bangkok's old man catches her browsing the net with a slightly gormless looking woodsman, and to rub things in she then lets him prong her right there on the desk. She's got an interesting pubic arrangement and quite an appetite for cock – and her amply sized arse looks cracking as she hops on for a cowgirl ride. Not sure what the cuckold is doing proffering her a pumpkin, mind…

Kayla in the next scene is clearly no better than the rest, preferring a tattooed ruffian to her decidedly middle-aged partner, and really, it's hard to blame her. There's more of the same from extremely cute Krissy Lynn, before the delectable Dylan Ryder winds things up in high style. ***4/5 Available in your local sex shop.***

GOD SAVE THE KINK

Harmony

CAST: Cathy Heaven, Rebecca More, Paige Turnah, Mishka Devlin, Rio Lee.

No, it's not a porno homage to Ray Davies and co, but another pervy offering from Harmony's Tanya Hyde, so grab your gas mask and head down to the sex dungeon with me…

Omar and fellow stud Jay are loitering with intent on a gloomy staircase when who should crawl up on all fours with a metal buttplug wedged in her jacksie than Cathy. She's clearly up for some mucky fun, and the lads waste little time in taking advantage. The shapely blonde's an adept cocksucker, and sets about her task with relish before offering up her other apertures as well. Loads of anal and a brace of good pops make this a truly memorable opener, and there's more bummery up next, in which a dude in welding goggles plunders the sundry holes on offer from Rebecca and Paige. Sadly the actions got that jerky effect that Tanya favours from time to time, but if you cab get past that it's hard to complain – the back-scuttling really is all you could hope for.

Scene three starts off with some mind-blowing psychedelic effect as limo passenger Rio frigs in the back seat. Thankfully the camerawork gets more conventional as the action hots up, and chauffeur and passenger get properly acquainted. Another stud's soon roped in as well, and a sex swing allows for some interesting angles as they poke away, and the moneyshots, when they get there, will put you in mind of *Ghostbusters*.

There are still two more scorching scenes to come, so thumbs up, frankly! ***4/5 Available in your local sex shop.***

MICHELLE'S MENAGE A TROIS

Adult Channel

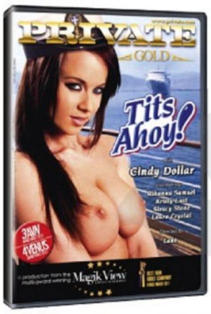
CAST: Michelle Thorne, Megan Coxx, Jess West, Louise Kay, Chloe Lovette, Ashleigh Embers, Yuffie Yulan, Louise May, Crystal Coxx, Angel Long, Katie K.

There can't be too many *Men Only* readers who haven't fantasised about the idea of a menage á trois with Michele Thorne – a manage a deux would probably do most of us, to be honest, and here's the girl herself getting in the middle of loads of three-way action, albeit it of a lesbiary variety. Still, given that her co-stars are some of the filthiest flampers on the UK scene and, well, that sounds like a recipe for a very watchable DVD indeed!

The first menage sees Michelle teaming up with Megan Coxx and Jess West, who start off by getting a ticking off from boss Michelle for looking at lesbo porn when they should be at work. The ticking off soon turns into a licking out, though, as the three of them set about getting very mucky in Michelle's desk. All three of the girls seem well into the action, and prong away with fingers and dildos to their mucky hearts' content! No pop shot to wind things up, of course, although you'd be a stronger man than me if you didn't provide your own.

One for tattoo lovers next, as bad cops Michelle and Chloe takes advantage of Louise. They chain her up and everything before giving her a pussy licking and a rimming few cons could dream of.

Other themes include nurses (complete with speculum and strap-on), a girlie sleepover without much sleeping, and a poledancing club. For cock-free filth, it doesn't get much better than this! **4/5 Available at your local sex shop.**



TITS AHOY!

Private

CAST: Rihanna Samuel, Kristy Lust, Cindy Dollar, Laura Crystal, Stracy Stone.

Well who could result a flick with 'Ahoy!' in the title, eh? Certainly not an old sea dog like me, even if this is, basically, another one of Private's 'people having sex on a ship' features. There's a bit of a silly voiceover, as per, but we're soon into the action, with ship's nurse Rihanna doing her utmost to perk up both a (rather healthy looking) patient and the doctor. She sucks both their knobs together before getting in the middle of a particularly energetic spitroast. A cracking opener, and maid Kristy picks up the pink baton next, taking things to a whole new level as she gives up her jacksie to the ministrations of an eager waiter. Proper filth, this, and worth repeated viewings, before we're onto the next coupling, the highlight of which is a stonking facial for Stracy. A full-on DP for Cindy keeps things sizzling along nicely before ship's pianist Laura tickles more than some ivories to see us out. **4/5**

GUIDE TO THE KAMA SUTRA

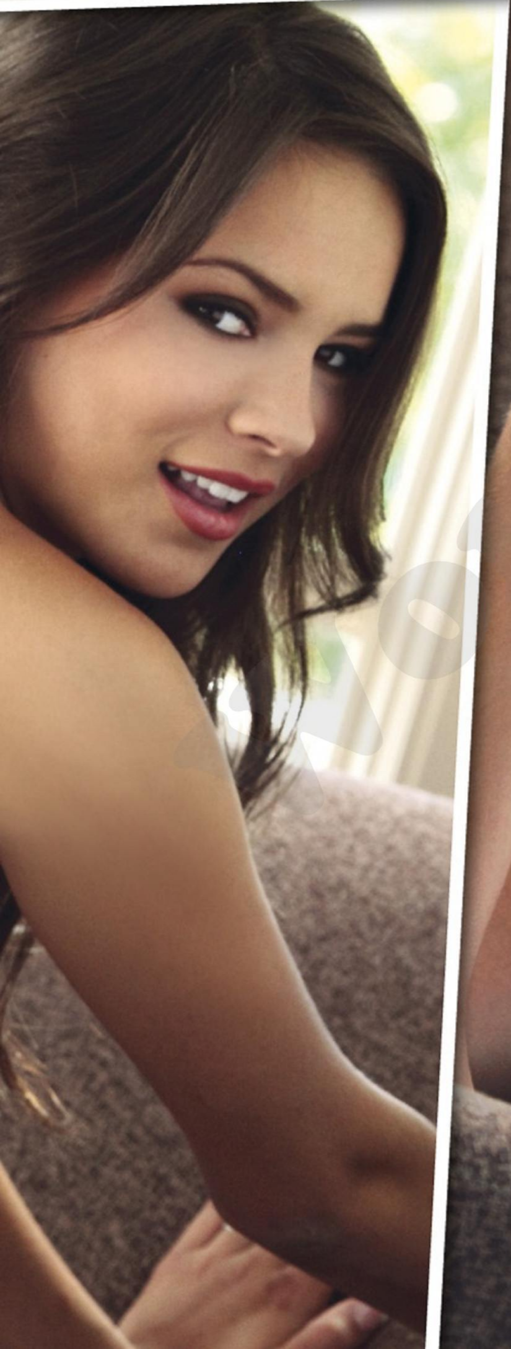
Adam & Eve

CAST: April O'Neil, Isis Taylor, Lea lexis, Misty Stone, Shazia Sahari, Tyler Knight.

Experts on Indian literature like to point out that the *Kama Sutra* isn't just a nookie guidebook, and covers all sorts of other tips for living a fulfilled life. Luckily for us, Adam & Eve have ignored all that other guff for this flick, and have stuck strictly to the nitty gritty of shagging. What you get then, is a stonking 25 scenes that feature rather comely pornsters screwing in positions with names like *Butterflies in Flight* (sadly no *Pigeons in Flight* for John Shuttleworth fans) and the *Yawning Position*, which isn't anywhere near as boring as it sounds. There's nothing in the way of plot, or much scenery – just a bit of a voiceover describing the benefits of each position and the opportunity to watch a couple demonstrating it. Some look a bit on the uncomfortable side, to be honest, but if you want to work your way through them with the other half, this should get the ball rolling nicely! **3/5**

Nina

Photos: JS Hicks



WorldMags

Well, just because it's the end of the year it doesn't mean we haven't still got a treat or two up our sleeves for you – so how about a treat in the shape of *Men Only* newbie Nina? Talk about seeing out the year in style – she's got just about everything you could ask for in a girl and (here's the good bit!) she's putting it all on show especially for us! So does the girl herself have anything in particular lined up for the festive period…?

"Hmm, well I recently split up from my boyfriend," she tells us, "which means I'm a free agent again after three years, so I think I'm going to spend the period making up for lost time!"

Please tell us you don't mean by eating chocolate watching *Sex in the City* for hours every day.

"No, I mean by getting it on with some new guys! There are loads of willing cocks out there, and it's time I got a try a few of them!"

Phew, thank goodness for that. Looks like there'll be a few lucky fellas having quite the Christmas Ball as well, then!

Having worked in this business for a good few years now (and let's face it, why would we want to leave?), we've seen some probably a hundred absolutely cracking pairs of boobs, but try as we might we can't think of any that eclipse Zuzana's spectacular ladybumps! Sod the Great Barrier Reef and the Grand Canyon – Zuzana's chestage really are a couple of wonders of the natural world. No disrespect to our American cousins, but the only grand canyon we really want to visit is the one that nestles between Zuzana's glorious globes! So is there any chance of hopping into that shower with her and enjoying a soapy snuggle? You'll have to guess the answer to that one – all we can say is that we've just crossed the first six things off our Christmas list!

COMING NEXT MONTH

Well, that was 2012 then! How was it for you? Lots of things to keep the Great British Public on their toes – Olympics, long-reigning monarchs, triple-dip recessions, but here at *Men Only* we'll chiefly remember the year for all the top quality babes we've coaxed out of their undies for our (and your) enjoyment! So what are we planning to do in 2013? Go on – see if you can guess… That's right – we're going to get a load more sexy babes to take their clothes off for us! We've already lined up fiery redhead Carmen and foxy Malory, but there'll be plenty more goodies in 2013, we can guarantee that much!
